The Golden Hook Fishing Club was founded to promote and encourage the sport of saltwater game fishing in the Virgin Islands while at the same time instilling an awareness of the vital importance of conservation of marine life, both in its members and in the Virgin Islands community. By filling out this form and committing some of your time to our club you can help to ensure that game fishing will continue in our islands as an environmentally safe and fun sport.

Membership entitles you to:

1. Club Polo Shirt
3. Notice of all club related activities
